

North American Basketball Development Leagues Association

OVERVIEW

WHAT IS THE NABDLA

The NABDLA is a National Association established for the purposes of establishing and overseeing Professional State Basketball Leagues in each state with each league having Professional Basketball Teams all operating under one system in conformity with emphasis on team success and player development and advancement.

The NABDLA Executive Board of Directors is the governing body of the NABDLA as a national organization. The Executive Directors are responsible for day to day operations of the NABDLA in consultation with each State Board of Directors. Responsibilities of the Executive Directors is to implement (and constantly improve) on the NABDLA system standards (operating system) and to oversee the operations of the Association and all state leagues.
